Transition Plan Major Objectives (cont.)

Confidential

- » IT
 - Perform an ERP "Lite-Medium" selection process and implement it into AAC, then integrate only at a SAP BPC layer (e.g. no operational integration into SAP ECC).
Establish ERP Implementation IPT across all functional areas to ensure proper ERP design and implementation
- » Finance
 - Capture preliminary accounting entries and inventory valuations
 - Rapidly hire an accountant for AAC
Clean up pre-close accounting errors
 - Begin quarterly reporting to FGI (1Q10)
- » Sales and Marketing
 - Educate our sales force and the commercial market on AAC Products
Assist AAC with leveraging FGI's sales and marketing resources
- » Compliance/Legal
 - Establish appropriate control structures
 - Identify, assign, and protect Intellectual Property
